

## **SUPER STRONG COLLOIDAL SILVER DROPS : \$49.99**

### **500 Parts to a million**

Safe, natural, and cost-effective way to enhance the immune system.

It is strong because it is processed with a unique Proprietary, Energy Enhancing Scalar Wave Technology. This technology electrically rearranges the molecules into an organized crystalline matrix, making it more effective and beneficial in the body.

It is of the highest quality, made with the best Silver available and is produced with the latest Advanced European Colloidal Technology using Current Good Manufacturing Practices. This assures high quality, a small 0.001micron particle size and uniform suspension. The small 0.001micron particle size minimizes any chance of Argria or discoloration of the skin.

It is an excellent value because one bottle will last a long time. A maintenance dose is 3 drops twice a day. With this dose there are 190 doses in one bottle.
