

## The 5G House Kit with Small Oyster \$2,150.00

The 5G House Kit was put together to assist clients cover their house, car, phones, water and body with Tesla's products to return the environment to a feeling of 'back to nature'.

To allow living harmoniously with frequency interference such as mobile phone towers, high voltage power lines, smart meters, radar, underground water and ley lines, electrical substations, transformers in the street...the list goes on...

By purchasing as a complete kit we are able to offer a 20% discount on each of the kit items to encourage our clients to take care of their entire home and family's bio-energy needs at an affordable price.

The House Kit consists of:

- **1 Tesla's 5G Oyster Plate (either: Small 5G Oyster or Large 5G Oyster)** – helps households cope with geopathic stress, EM radiation and air ionisation.
- **1 Car Travel Plate** (not included in the Town Kit) – helps alter the aggressive fields coming from the electronics in cars.
- **1 Pocket Plate** – helps with minor pains or bruises and can be used to alter the taste of water.
- **2 Adult Personal Pendants** – strengthens the energy field, helps concentration and also helps calm children who are sensitive to the manmade chaotic frequencies.
- **4 Phone Tags** – alters biological effects coming from mobile or cordless phone transmissions.
- **1 Electron Stabiliser** – attaches around a power cord and softens the chaotic frequencies in the wiring to coherent.
- **1 Water Kit** – puts life force into tap water, tastes and feels like rain water (no ongoing costs)
- **1 Carry Bag.**
- **1 Owners Manual.**

*To encourage our clients to take care of all their home and family bio-energy needs, we offer this package at a **20% discount** on recommended retail prices.*
